ASK ME 3™

GOOD QUESTIONS FOR YOUR GOOD HEALTH

Every time you talk with a doctor, nurse, or pharmacist, use the **ASK ME 3™** questions to better understand your health.

- ❶ What is my main problem?
- ❷ What do I need?
- ❸ Why is it important for me to do this?

TIPS FOR CLEAR HEALTH COMMUNICATION

✓Check off the ones you will try:

- I will ask the 3 questions.
- I will bring a friend or family member to help me at my doctor visit.
- I will make a list of my health concerns to tell my doctor.
- I will bring a list of all my medicines when I visit my doctor.
- I will ask my pharmacist for help when I have questions about my medicines.

WHAT IF I ASK AND STILL DON’T UNDERSTAND?

- ☞ Let your doctor, nurse, or pharmacist know if you still don’t understand what you need to do.
- ☞ You might say, “This is new to me. Will you please explain that to me one more time?”

The **ASK ME 3™** questions are designed to help you take better care of your health.

Partnership for Clear Health Communication

Dial 211 or 800-427-4626 United Way Information & Referral

for critical health and human services, everyday needs and in time of crisis. 24-hour, seven-day-a-week availability. When appropriate, 2-1-1 specialists can connect callers directly with a service provider, eliminating the need to make another telephone call.
